On April 15, 2022, Federal Defendants filed the administrative records. Dkt. 24. In light
of the size of the administrative records and the time it took to resolve the initial issues
identified, the parties requested, and this Court granted, an additional two months to complete
record review and related negotiations. Dkt. 27, 28. On September 16, 2022, Federal Defendants
lodged privilege logs and associated materials relating to the administrative records. Dkt. 29, 29-
1, 29-2. On September 28, 2022, Federal Defendants provided Plaintiffs with a supplement to the
record containing just over 200 documents. On October 7, 2022, the parties filed a Joint Status
Report proposing a briefing schedule to this Court. Dkt. 32. In the process of preparing their
opening brief, Plaintiffs identified additional record-related issues. The parties have reached an
agreement for resolution of these issues that will include a further supplement to the record. In
light of the foregoing, and pursuant to Local Rules 6-1(b) and 6-2, the parties stipulate and
request that the deadlines for briefing on summary judgment be delayed and revised according to
the following schedule:

Plaintiffs' Statement re: Motion for Summary Judgement: January 27, 2023
Federal Defendants' Statement re: Cross-Motion for Summary Judgment Opening and
Response: April 14, 2023

Plaintiffs' Statement re: Response and Reply: June 16, 2023

Federal Defendants' Statement re: Reply: July 14, 2023

The proposed hearing date of October 13, 2023 would remain unchanged.
